

# **BACK TO SCHOOL 2020**

## **Community OUTreach Initiative**

*Now through July 27th*

**At the THRIVE Zone Church, our mission is to guide people into a THRIVING relationship with Jesus Christ and each other. What better way to carry this out than for the THRIVE Zone Church to serve the community through our 2nd Annual Back to School Community Outreach! We are excited to continue to serve families of a local elementary school. Last year as a result of our Inaugural Community OUTreach Initiative, we provided school uniforms, undergarments, socks and shoes to 14 students from 8 families. Our goal this year is to serve more families by providing each child with at least 2 uniforms (shirts and pants), undergarments, socks, shoes, backpack and school supplies. Your support would be greatly appreciated!**
